

MDSS Consent to Use Photographic Images

All adults must complete their own form unless Substitute Decision Maker Status applies.

I consent to the use by MDSS of all or any part of the likeness of myself or the person on whose behalf I have given this consent, and to such alteration or enhancement of the image that is needed, provided that the essential appearance of this person or myself is unaltered.

Photographs may be used as follows:

- ✓ To use in an issue of the MDSS newsletter
- ✓ To use on the MDSS website
- ✓ To use in a MDSS publication (Example: New Parent Kit) for distribution to the public
- ✓ In local media promotions or awareness campaigns

I am providing consent for myself and the following individuals for whom I have primary care and control:
