Lucille Rodrigues-Braga

M.Sc. S-LP (C)

Henrique Braga

M.Sc. (PAC)

Lucille is a Speech Language Pathologist working in the Seven Oaks School Division and Henrique is a School Psychologist working in the River East Transcona School Division. They have worked in Manitoba schools collectively for over 40 years supporting students. Throughout their careers, Lucille and Henrique endeavour to build capacity in students and all those who support them.

A learning environment which is supportive of inclusion has been shown in research to positively impact a child's capacity for learning.

The goal of the
SEE ME BEAUTIFUL
conference is for educators and parents to access and discuss information about learning strategies and best teaching practices for children with Down syndrome so that together they can provide an effective and rewarding education experience.
