See Me Beautiful 2026 Sponsorship Opportunities

Presented by:

Jubilee Dueck Thiessen

Executive Director

Manitoba Down Syndrome Society

Meet Us

The Manitoba Down Syndrome Society (MDSS) was established in 1991 by a group of visionary parents who wanted to ensure that individuals with Down syndrome and their support network would have access to supports and services specific to their needs. They understood the need to increase public awareness of the abilities of individuals born with Down syndrome.

The MDSS is a non-profit organization dedicated to providing support, information and opportunities for individuals with Down syndrome, parents, professionals and other interested persons. We provide educational resources, inclusive social programming, and community outreach initiatives to empower individuals with Down Syndrome to reach their full potential and lead fulfilling lives.

The See Me Beautiful Educational Conference, now in its 29th year, is a pivotal annual event hosted by the Manitoba Down Syndrome Society (MDSS) in Winnipeg. Focused on the theme "Teaching Students with Down Syndrome: Working Collaboratively with Families and Professionals," the conference aims to bring together parents, teachers, and educational assistants to share strategies and insights to better support students with Down syndrome. Featuring keynote speakers, the event offers a full day of interactive workshops, group work, and Q&A sessions, fostering a collaborative environment for learning and development.

Event Objectives

The objective of the "See Me Beautiful" Educational Conference is to bring together parents, teachers, and educational assistants to collaborate and share strategies to better meet the educational needs of students with Down syndrome. By fostering a collaborative environment, the conference aims to enhance the support systems for these students, ensuring they receive the best possible education and developmental opportunities.

Thank You!

Partnering with the Manitoba Down Syndrome Society's **See Me Beautiful** conference meaningfully impacts the lives of Manitobans with Down syndrome. Your sponsorship supports essential educational programs and awareness initiatives, creating a lasting impact by empowering students with Down syndrome and their families. Together, let's amplify their voices and stories, fostering a more inclusive and supportive educational environment.

The Manitoba Down Syndrome Society operates throughout Manitoba and is located on the traditional territory of the Anishinaabe, Cree, Oji-Cree, Dakota, Dene and Metis people. Our primary office is located on Treaty 1 Territory and the National Homeland of the Red River Métis. Our work extends throughout Treaties 2, 3, 4, and 5. We acknowledge that Winnipeg's water is sourced from Shoal Lake 40 First Nation.

We respect the Treaties made on these territories, and dedicate ourselves to move forward with Indigenous communities in a spirit of reconciliation and collaboration to make Manitoba an inclusive and accessible place for everyone.
